WHO IS VALLEY YOUTH?

Valley Youth is the youth team at Moonee Valley City Council!

We provide a range of programs, projects and events for young people aged 12 - 25 who are connected to Moonee Valley.

This includes the Young People's Committee, Rainbow Valley, Grassroots Program, Avenue Productions and L2P. Engaging with local high schools is a vital part of our work.

The FREE lunchtime pop-up activities detailed on the following pages have been designed to support students to develop their skills, be involved in their community, and give them access to activities that promote positive health and wellbeing outcomes.

They're also a great way to recognise and celebrate dates of recognition at your school!

These activities will be run by qualified youth workers who have experience working in school settings and with young people with different needs.

Our youth workers have Working with Children Checks, follow the latest Child Safety Standards and confidently put their skills and knowledge into practice.

We look forward to seeing you at a Valley Youth activity soon!
